The Bathtub Test

During a visit to the mental asylum, a visitor asked the Director how do you determine whether or not a patient should be institutionalized.

'Well,' said the Director, 'we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the patient and ask him or her to empty the bathtub.'

'Oh, I understand,' said the visitor.

'A normal person would use the bucket because it's bigger than the spoon or the teacup.'

'No' said the Director, 'A normal person would pull the plug.

Do you want a bed near the window?'

.....if you like the odds jokes, here is a cute one:

A wealthy old lady decides to go on a photo safari in Africa, taking her faithful aged poodle named Cuddles, along for the company.

One day the poodle starts chasing butterflies and before long, Cuddles discovers that he's lost.. Wandering about, he notices a leopard heading rapidly in his direction with the intention of having lunch.

The old poodle thinks, "Oh, oh! I'm in deep doo-doo now!" Noticing some bones on the ground close b y, he immediately settles down to chew on the bones with his back to the approaching cat. Just as the leopard is about to leap the old poodle exclaims loudly, "Boy, that was one delicious leopard! I wonder if there are any more around here?"

Hearing this, the young leopard halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees. "Whew!", says the leopard, "That was close! That old poodle nearly had me!"

Meanwhile, monkey who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the leopard. So off he goes, but the old poodle sees him heading after the leopard with great speed, and figures that something must be up. The monkey soon catches up with the leopard, spills the beans and strikes a deal for himself with the leopard.

The young leopard is furious at being made a fool of and says, "Here, monkey, hop on my back and see what's going to happen to that conniving canine!

Now, the old poodle sees the leopard coming with the monkey on his back and thinks, "What am I going to d o now?", but instead of running, the dog sits down with his back to his attackers, pretending he hasn't seen them yet, and just when they get close enough to hear, the old poodle says.

"Where's that damn monkey? I sent him off an hour ago to bring me another leopard!"

sorry but it' doesn't sounds the same in French (**désolé mais je ne vois pas comment traduire ça en Français sans que ça ne tombe à plat....**)
